

**APPLICATION FOR PERMIT TO EXCAVATE
OR OTHERWISE USE THE TOWN OF FOWLER RIGHT-OF-WAY**

Application is hereby made this _____ day of _____, 20____.

By _____ for a permit to cut into the Town of Fowler right-of way at

The following described location, _____ Lot# _____ Section: _____

For the purpose of _____.

Type of Surface where opening is to be made _____ . Opening will be _____ feet long in

Right-of-way and _____ feet long in road surface by _____ feet wide and _____ feet deep. Number

Of Bores: _____. Length of plowed or Directional Bored Cable or Pipe: _____. Length of Reconstructed

Or New Pole Lines: _____.

RESPONSIBILITY, if the inside face of trench is within three (3) feet of the edge of the road surface, I hereby Agree to backfill the trench of the said opening with bank run gravel or crushed stone, which will be thoroughly compacted by tamping in layers not to exceed four (4) inches in depth to within twelve (12) inches within the trench opening as per existing conditions prior to making trench, except that portion of the trench which is in the traveled road, the remaining twelve (12) inches will be backfilled with coarse gravel or crushed stone, maintained in a smooth and uniform condition for a period of not less than four (4) weeks after traffic is again permitted to pass over the filled trench, until such time the surface shall be replace dot existing conditions unless otherwise provided by special provisions.

For any cut other than the aforementioned conditions, I hereby agree to backfill the trench of said cut by thoroughly tamping the backfilling in layers not exceeding four (4) inches deep, unless provided by special provisions.

I FURTHER AGREE:

To furnish a drawing showing size, type, controlling dimensions, etc., of the proposed improvement relative to existing pavement, existing structures, existing right-of-way, and existing utilities;

To erect and maintain all necessary barricades, detour signs and warning lights, as set out in Section D of the Indiana Manual on Uniform Traffic Control Devices, to safely direct traffic over and around that part of the road where the above described work is to be done, so long as the work in any way interferes with traffic;

To move or remove any structures installed under this permit, should future traffic conditions or road improvements necessitate and when requested to do so by the Street Superintendent:

To assume all responsibility for any injury or damage to persons or property resulting directly, or indirectly, from the work contemplated in this application;

To notify the Street Superintendent **24 hours** in advance of the time of beginning the work done under this permit.

To restore the Town property cut into or damaged, Including said road and lateral cuts by applicant to its condition immediately prior to the applicant's damage or cut to the satisfaction of the Fowler Town Council and the Street Superintendent.

In accordance with the Schedule of Fees shown on the second page of this sheet, a check in the amount or \$_____ is attached, or I will be billed. If, in completing the work, a wider cut is made in the surface than that specified on this application, any additional amount due will be remitted to the Fowler Town Hall upon completion of the project.
